- Aggregate, prepare, interpret and review reports, budgets, accounts, commentaries and financial statements
- Assist other Foundation Bodies with financial information needed for strategic analysis and planning
- Oversee operations of the finance department, set goals and objectives and design a framework for these to be met
- Conduct reviews and evaluations for cost-reduction opportunities
- Liaise with auditors, tax consultants, lawyers, banks and Financial Managers of the subsidiaries
- Assure the funding for distributions, current operations and subsidiaries' business development in coordination with the Investment Department

Requirements

- BS/MA degree in Accounting, Business, Economics, Finance or a related field
- Professional qualification such as ACCA/CFA/CPA or extensive relevant experience in equivalent positions
- Working knowledge of applicable legislation and regulations
- Deep understanding of business principles and practices
- Understanding of data privacy standards
- Solid communication and presentation skills
- Superior attention to detail
- Integrity and honesty
- Organizational and planning skills
- Analytical and critical thinking as well as problem-solving skills

This position is located in Liechtenstein and integrated into a small team. Our client offers a minimum annual salary of EUR 120,000 gross with willingness to overpayment depending on working experience.
