OMICRON. Our more than 800 experts in 24 offices worldwide build the smartest testing, diagnostic and monitoring solutions. Energy suppliers and industrial companies in more than 160 countries rely on our solutions to make the generation, transmission and distribution of electricity safe and reliable. Trust, respect and fairness have remained important values in our daily work for 35 years.

For our Corporate Communications team in Klaus (Lake Constance, Austria) we are looking for a/an

Media Designer – Student Worker, 30 - 50% (f/m/x)

What is it all about?

- You design various print and online media
- You take care of the layout for our employee magazine
- You support the branding of internal and external corporate events
- You produce and edit pictures and short clips
- You contribute to the maintenance of our digital asset management
- You support team members with your media design skills, e.g. by creating presentations

What skills do you need to have?

- You have a passion and talent for communication and design
- You are an expert in Adobe CS and have a sense for typography and layout
- Practical experiences with print and screen design are a plus
- You are very good in communicating in German and English
- You are a team player and enjoy taking over responsibility
- You are currently studying media design or similar (3rd semester or higher)

What we offer?

If that sounds like a task that is designed for you – then apply via www.omicron.jobs!
