

SWAROVSKI HAS MANY FACETS.
SWAROVSKI SPEAKS MYRIAD LANGUAGES.
SWAROVSKI WILL OPEN A NEW WORLD FOR YOU.

Throughout the world, the name Swarovski is synonymous with inspiration: as the leading brand of cut crystal, as a partner of designers, artists, and visionaries. Become a part of a tale of tradition and success that stretches back to 1895, and at the same time begin writing your own!

For our international organization based in Triesen, we are looking for a

TEAM LEADER RETAIL OPERATIONS (f/m)

Fulltime

Based in Triesen, FL

WHAT YOU CAN EXPECT

In this position you will

- lead a team of two specialists
- be the first point of contact for our own-operated Boutiques in Central Eastern Europe with regards to Retail Systems and Stock Maintenance
- ensure the correct and on-time execution of the merchandise allocation and deliveries
- set-up and maintain our Retail Systems (cash desk, goods-flow and staff planning systems etc) including the training of our staff in the market
- ensure that financial closings of the Boutiques as well as inventories are processed correctly
- deliver standard and ad-hoc reports

WHAT WE EXPECT FROM YOU

As an ideal candidate you have a university degree in business (or a comparable education) and have gained at least three years of experience in a retail operations environment, preferably as a team leader. We expect a proactive person with a service-minded, analytical and solution-oriented attitude with skills in project management. Furthermore excellent communication skills as well as sound abilities in people & stakeholder management are required. You are a well-organized individual with fluent written and spoken language skills in English, any additional language is beneficial. The position also requires proficient utilization of Excel (SAP advantageous) and experience in reporting/analysis.

DOES THIS SOUND LIKE YOU?

Do you have the drive and will to make a major contribution to the continuous success of our company?
If so, then we are looking forward to receiving your online application.
